OUR STORY

At Green Sheep, we believe that love for our pets and our planet can coexist beautifully. For over a decade, we've been on a heartfelt journey to create pet accessories that do more than just bring joy to your furry friends—they also nurture the Earth we all share.

Picture a world where every wag of your dog's tail and every purr of your cat helps make the planet a better place. That's the dream Green Sheep brings to life with each eco-friendly product we craft. From playful chew toys to easy pet grooming solutions, our accessories are made from recycled materials, turning what could have ended up in a landfill into something extraordinary.

Our slogan, "Keeping it simple, keeping it green," isn't just words—it's our promise. We strive to blend simplicity with sustainability, ensuring that each product is not only high-quality but also gentle on the environment. By choosing Green Sheep, you're making a choice that honors both your pet's comfort and the health of our planet.

Join us in this meaningful mission. With every Green Sheep product, you're supporting a vision of a greener world where pets and people thrive together. Together, let's make every moment with our beloved animals a step toward a brighter, more sustainable future.

POOP BAG COLLECTION

Clean & Convenient Solutions

TISSUE LINED POOP BAGS

Hygienic Clean-Ups
Made Easy, Indoors
or On-the-Go!

Tissue Lined Poop Bags - 50pk

Product Model:
KDC11

Bag Size:
32.5 x 17.5cm

Our tissue-lined poop bags offer an added layer of protection, ensuring a clean and mess-free experience. The tissue also provides a non-see-through barrier, keeping waste discreetly contained for a more hygienic and pleasant clean-up experience. Perfect for both indoor use or quick grab-and-go convenience when you're heading outdoors. These bags make clean-up simple, hygienic, and stress-free, no matter where you are!

Tissue-Lined for Extra Protection and Comfort

The added layer of tissue provides an extra barrier, ensuring a clean, mess-free experience every time.

Biodegradable and Recycled Materials

Our bags are made from recycled materials, and the tissue lining breaks down naturally, offering a sustainable, planet-friendly clean-up solution.

FLUSHABLE POOP BAGS

Poop bags start to break down upon contact with water

Flushable Poop Bag-32pk (Pink)

Product Model: KDC09
Bag Size: 33 x 21cm

Flushable Poop Bag-32pk (White)

Product Model: KDC10
Bag Size: 33 x 21cm

Flushable poop bags are the ultimate cleaning solution for pet owners, offering a hassle-free way to dispose of waste while saving time and keeping your home odor-free. These bags easily dissolve in water, meaning no more dealing with smelly trash or lingering odors. With quick and easy disposal, you'll spend less time cleaning and more time enjoying the moments that matter most with your pet. It's the perfect blend of convenience and cleanliness for a fresh, stress-free home!

Eco-Friendly Convenience

Flushable and biodegradable, our poop bags offer the ultimate convenience while caring for the planet—no more plastic waste.

Durable Yet Dissolvable

Strong enough to handle the mess, yet designed to dissolve upon contact with water, combining durability with sustainability.

RECYCLED POOP BAGS

Our recycled poop bags are crafted with the environment in mind, offering a sustainable solution for conscientious pet owners. Made from 65% recycled materials, these bags help reduce plastic waste and minimize your carbon footprint.

By choosing our eco-friendly option, you're contributing to the circular economy and promoting responsible consumption. Each bag is made with durability in mind, ensuring that your pet's waste disposal aligns with a greener, more sustainable future.

COMPOSTABLE POOP BAGS

Compostable Poop Bag-60pk

Product Model:
KDC08

Bag Size:
33 x 22.5cm

Our compostable poop bags provide an environmentally-friendly alternative for responsible pet waste disposal. Made from plant-based materials, these bags are designed to break down naturally in composting environments, leaving no harmful residues behind. By choosing compostable bags, you're reducing your reliance on traditional plastics and supporting a more sustainable, circular approach to waste management. Perfect for eco-conscious pet owners, these bags allow you to care for your pet while making a positive impact on the planet.

Our recycled plastic pet bowl is a practical and sustainable choice for eco-conscious pet owners. Thoughtfully crafted from high-quality, recycled materials, this bowl provides the perfect balance of durability and functionality. Its sleek, minimalist design ensures it fits seamlessly into any home, while the smooth surface allows for easy cleaning, preventing any buildup of food or bacteria. The material is non-toxic and pet-safe, making it ideal for daily use without compromising your pet's health or well-being.

Additionally, the bowl is designed for versatility, making it suitable for both wet and dry food as well as water. Whether you're feeding at home or taking it on the go, this pet bowl is built to last, providing a reliable and eco-friendly option for all your pet's mealtime needs. Made with sustainability in mind, it's not just a feeding bowl but a responsible choice for a greener future.
