Product Catalogue 2026

Introducing Happy Pet

Everything pets need, all in one place.

At Happy Pet, we provide retailers with a comprehensive portfolio of products designed to meet the needs of modern pet owners across all key categories. Our ranges are developed with a clear focus on quality, ease of use, and creativity to deliver strong retail performance.

The catalogue is structured across four core categories:

- Dog
- Cat
- Small Animal
- Bird

Each category is carefully curated to help you build a balanced, high-performing assortment that drives both footfall and basket spend.

Inside, you'll find:

- Core essentials that form the foundation of every pet department for example enriching toys
- Innovative toys and enrichment products that encourage repeat purchases
- Bedding, housing and habitat solutions designed for comfort and practicality
- Feeding and care accessories that deliver everyday convenience for customers
- Exclusive Licensed products available only from Happy Pet

Happy Pet ranges are built to support your business by offering:

- Broad consumer appeal across multiple pet ownership segments
- Strong margin opportunities across entry-level to premium price points
- Distinctive, shelf-ready packaging that enhances in-store visibility
- Reliable product quality that builds trust and encourages repeat sales

We partner with our retailers closely to grow sales, discuss new range opportunities and ensure we're delivering for both your store and your customers. We hope you enjoy exploring our catalogue.
