CARE
& HEALTHY
TREATS**

WE LOVE... WE CARE... WE SHARE YOUR PASSION FOR PETS

VETIQ® is a global consumer pet health brand, which develops preventative care products & functional treats designed to enhance pet's health & wellness. The product range consists of a wide portfolio of products to provide optimal pet care health, without the need for veterinary intervention.

The VETIQ® portfolio covers all the major pet health categories including calming, joint care, dental-care, digestion, training, hygiene & grooming as well as everyday wellness to deliver targeted pet care solutions. Our portfolio caters for the complete pet life cycle providing pets support from infancy, through to their senior years, to ensure your pet has a happy and fulfilled life.

Established in 1987, today VETIQ® has an enviable reputation as pet experts, products trusted & valued by pet parents globally. Our products, designed by enthusiastic professionals & pet lovers, ensure that your family pet live happy & healthy lives from birth to their senior years. Today VETIQ® pet care products are sold across the globe and trusted by millions of happy pet's parents.

VETIQ® has an excellent product portfolio well loved by our consumers across the globe.

We export to 40+ countries and across 4 continents.

We have an excellent sales, marketing & distribution structure to support both our consumers & customers.
